

# Filled With The Spirit On Pentecost

Gently

Words and Music by Jeanne Loehnis

Spi - rit de - scend like a dove.

Spi - rit de - scend on me.

Spi - rit de - scend like a dove.

Spi - rit de - scend on me.

Spoken in a whisper: Filled with the Spi-rit on Pen-te-cost. Filled with the Spi-rit on Pen-te-cost.

Excitement gradually builds to the end of the piece

Filled with the Spi-rit on Pen-te-cost. Filled with the Spi-rit on Pen-te-cost.

Filled with the Spi-rit on Pen-te-cost. Filled with the Spi-rit on Pen-te-cost! (louder and building to fortissimo on repeat)

I burst forth in a blaze of fi - re! I burst forth in a blaze of light!

I burst forth in a blaze of fi - re! I burst forth for the Spi-rit's in me!
