

# God's Bright Shining Star

Lightly (♩ = c. 118)

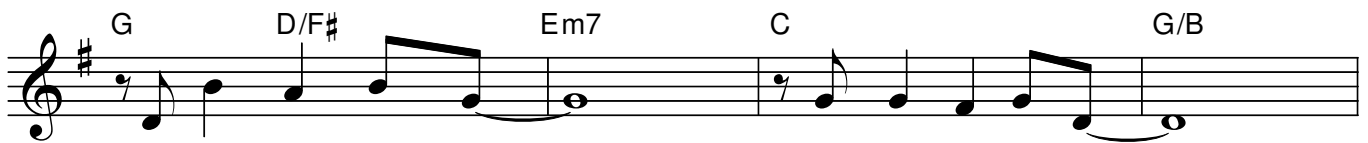

Words and Music by Jeanne Loehnis  
arr.

If I hide my light so no one can see  
mod - el to all Love's good-ness and light  
the gift of a life time - in ves - sels of flesh:

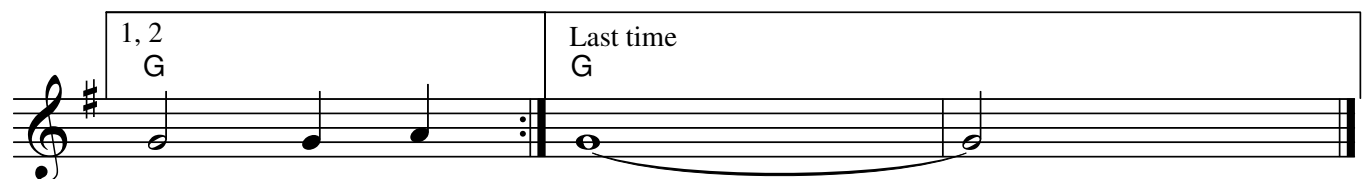

then no one can be en-light-ened through me.  
through-out ev-ery day and in - to the night.  
ev - er re-newed, ev - er so blessed.

If God walks the Earth as you and as me,  
Rest then. In dreams more Truth will be told.  
Shine now Love's light on all that you are.

then God's ways are known on - ly as  
Wa - ken to new days, a - ware that we  
And for the world be God's bright shi - ning

we... As we  
hold... We hold  
star!
