

Healing

Prayerfully

Words and Music by Jeanne Loehnis

I see the love of God a - round you.
 No long - er filled with fear and sad - ness.
 For God is al - ways work - ing in you.

I feel God's pre - sence flow - ing through you.
 These thoughts re - placed with Truth and glad - ness.
 Re - pla - cing all that seems to harm you.

I trust God's en - er - gy to heal you!
 As you but turn to seek God's good - ness.
 Each breath sends heal - ing rush - ing through you!

I know God's love has made you whole.
 True love is here to make you whole.
 You know God's love has made you whole.
