

# In Me Now

Words and Music by Jeanne Loehnis

**134**      D                      D/F#                      Em/G                      D/A

Group 1

I let Spi - rit Life                      move                      in me.  
 I let Spi - rit Love                      shine                      through me.  
 I let Spi - rit Joy                      burst                      forth from me.

Group 2

I let Spi - rit Life                      move                      in me.  
 I let Spi - rit Love                      shine                      through me.  
 I let Spi - rit Joy                      burst                      forth from me.

Group 3

I let Spi - rit Life                      move                      in me.  
 I let Spi - rit Love                      shine                      through me.  
 I let Spi - rit Joy                      burst                      forth from me.

3      D/A                      G                      D

Life                      moves                      in                      me                      now!  
 Love                      shines                      as                      me                      now!  
 Joy                      bursts                      from                      me                      now!

3

Life                      moves                      in                      me                      now!  
 Love                      shines                      as                      me                      now!  
 Joy                      bursts                      from                      me                      now!

3

Life                      moves                      in                      me                      now!  
 Love                      shines                      as                      me                      now!  
 Joy                      bursts                      from                      me                      now!

\* Alternate lyrics:

Spirit of Love shine through me. Spirit shine as me.  
 Spirit of Life live through me. Spirit live as me.  
 Spirit of Joy come from me. Spirit come from me.
