Words and Music by Jeanne Loehnis

There is on - ly one life, one life a - far and near.
There is on - ly one heart. I'm held in its em - brace.
There is on - ly one voice. I hear it crys - tal clear.

I am one with one life. I feel its pres - ence here.
I feel the warmth of one heart re - cei - ving now its grace.
I am one with one voice, I'm gui - ded through each fear.

I ex - press as one life, one en - er - gy, one plan.
My love shines as one heart for all the world to share.
Merge I with this one voice be - fore each word I speak.

One with all. One with the one "I Am".
Shi - ning bright - ly. Shi - ning free. I care.
On - ly Truth the mes - sage I re - lease.
