(\*) We Release You was written as a minister's farewell for Rev. Cynthia Barclay. Verses two and three are tailored to her particular gifts. These could be used with just a substitution for "Cynthia". Alternatively, the following verse might replace both.

Now we hold you deep within our heart and soul  
 for you've held us while as Spirit we have grown.  
 Sweet trust in abundance from Spirit  
 now lives deep in our souls.  
 We fly freely as we grow.
