Words and Music by Jeanne Loehnis

When I go with - in my heart I know.
When I trust in Spi - rit I am free!
When as Spi - rit I love all man - kind

When I go with - in 'tis then You show.
Free to be the love I'm made to be!
thoughts of peace il - lu - min - ate my mind!

You show me the way to live in har - mo - ny. 'Tis life You give.
Free to laugh and sing and play and let my life show all the way.
All as one. The One is All as each hears Spi - rit's pri - vate call.

When I go with - in my heart I know.
When I trust in Spi - rit I am free!
When as Spi - rit I love all man - kind.
